Sarah is featured in April 11-17, 2011 **Tv Guide Magazine**, now on stands. The page features two beautiful photos from the set of *Ringer* from **March 31, 2011**. Sarah looks gorgeous!

Buffy's Sarah Michelle Gellar was spotted shooting scenes for her new CBS pilot, *Ringer*, in Central Park with costar Nestor Carbonell (*Lost*) on March 31. She plays a woman hiding from the mob by posing as her rich twin sister. "She was adorable, but it was pretty cold for her," photographer Steve Sands tells *Tv Guide Magazine*. "She said to me, 'I thought New York was supposed to be warm during the spring.'"
